

Field Service Sector**Review of Goods Service unit standard**

Subfield	Domain	ID
Commercial Road Transport	Goods Service	17679

MITO New Zealand Incorporated has completed the review of the unit standard listed above.

Date new versions published **November 2021**

Planned review date **December 2025**

Summary

The review was undertaken in line with the scheduled review cycle. Unit standard 17679 was reviewed with the support of industry members across 2020 and 2021.

The review took place alongside the work of Ia Ara Aotearoa Transporting New Zealand’s NZ Intermodal Transport Safety Group. The reviewed unit standard was sent to Consent to Assess holders, assessors and industry stakeholders in July/August 2021, and a website consultation period was held. Feedback received was addressed where appropriate.

Main changes

- Guidance information, outcomes, and performance criteria were updated to align to current industry expectations and requirements and to ensure that current industry terminology is used.
- Title was changed to align to current industry terminology.
- A pre-requisite was added for assessment purposes.
- Outcome 1 was added to meet industry expectations and requirements.
- The unit standard format was updated to the current NZQA template.

The last date for assessment of superseded versions of Category B unit standards is December 2023

Detailed list of unit standards – classification, title, level, and credits

All changes are in **bold**.

Key to review category	
A	Dates changed, but no other changes are made - the new version of the standard carries the same ID and a new version number
B	Changes made, but the overall outcome remains the same - the new version of the standard carries the same ID and a new version number
C	Major changes that necessitate the registration of a replacement standard with a new ID
D	Standard will expire and not be replaced
