# Field Engineering and Technology

#### Revision of Vehicle Bodywork unit standard

Subfield	Domain	ID
Motor Industry	Vehicle Bodywork	23980

MITO New Zealand Incorporated has completed the revision of the unit standard listed above.

Date new version published

December 2021

Planned review date (unchanged)

December 2025

# **Summary**

The revision process was held to make amendments to the unit standard prior to a review taking place, to correct a defect in the unit standard.

### Main changes

• The range statement on performance criterion 1.3 was amended to correct the wording to 'console' rather than 'consol' to align with the intent of the unit standard.
