Planned review date

December 2025

Summary

This unit standard, first registered on 25 March 2021 had an issue with the range statement in the guidance information section which was a barrier to assessment. This was identified by industry experts and training resource developers.

Main changes

- The range statement in the guidance information section has been amended to reflect broad categories of furniture finishes used in the industry.
- The last date of assessment for version 1 is 31 December 2021.
