**Summary of review and consultation process**

The National Certificate in Refrigeration and Air Conditioning expired 31 December 2020.

Version 5 of this qualification has been reinstated for the purpose of allowing learners to complete their Electrical Workers Registration Board (EWRB) Electrical Service Technician (EST) practicing license and subsequent associated unit standards that form part of this qualification.

Training was impacted by the Covid-19 lockdowns and restrictions imposed by Government.

**Main changes resulting from the review**

This qualification was reinstated to extend the last date of assessment to 31 December 2021.

The last date for entry has passed and enrolments are no longer being accepted.
