Review of *Health and Disability Principles in Practice* unit standards

Subfield	Domain	ID
Health, Disability, and Aged Support	Health and Disability Principles in Practice	23393, 28984-28994

Careerforce has completed a review of the unit standards listed above.

Date new versions published

February 2021

Planned review date

December 2025

Summary

The unit standards listed above were reviewed in consultation with key stakeholders in 2020, with subsequent input and feedback invited from all providers with consent to assess.

Main changes

- Guidance Information was updated in all standards. This included updates to legislation and regulations, references and assessment notes.
- Some outcome and performance criteria statements were amended to better reflect the requirements of the standard.
- The titles of some unit standards were amended for clarity and to better reflect learning outcomes.
- Credits for standard 28988 were raised from 7 to 8 to better align with other Level 4 standards in the domain.

The last date for assessment of superseded versions of Category B unit standards is December 2022

Detailed list of unit standards – classification, title, level, and credits

All changes are in **bold**.

Key to review category	
A	Dates changed, but no other changes are made - the new version of the standard carries the same ID and a new version number
B	Changes made, but the overall outcome remains the same - the new version of the standard carries the same ID and a new version number
C	Major changes that necessitate the registration of a replacement standard with a new ID
D	Standard will expire and not be replaced
