Revision of *Forestry* unit standards

Subfield	Domain	ID
Forestry	Forest Harvesting Operations	27633
	Forest Operations	23411

Competenz has completed the revision of the unit standards listed above.

Date new version published

February 2021

Planned review date (unchanged)

December 2024

Summary

These units were part of a recent review, with the most updated versions being published earlier this year. During the consultation process, it was determined that the prerequisite units needed to be removed from these units as they were no longer applicable. Unfortunately, this change was overlooked when the units were submitted for review, hence the need for a revision.

Main changes

- Prerequisites were removed from both unit standards.
