

Field Health

### Review of *Ambulance* unit standards

Subfield	Domain	ID
Emergency Services	Ambulance	26017, 26018, 26147

The Skills Organisation has completed the review of the unit standards listed above.

Date new versions published

March 2021

### Summary

The unit standards were reviewed as a result of the scheduled review date. The only training provider that has used them in the past has been St John Ambulance, but they have not done so since 2017. St John have advised that they will not be using them in the future.

### Main changes

- The unit standards were set to expire without replacement.

**These Category D unit standards will expire at the end of December 2021**

### Detailed list of unit standards – classification, title, level, and credits

Emergency Services > Ambulance

Key to review category	
<b>A</b>	Dates changed, but no other changes are made - the new version of the standard carries the same ID and a new version number
<b>B</b>	Changes made, but the overall outcome remains the same - the new version of the standard carries the same ID and a new version number
<b>C</b>	Major changes that necessitate the registration of a replacement standard with a new ID
<b>D</b>	Standard will expire and not be replaced

Emergency Services > Ambulance
