

**FIELD            Planning and Construction**

**Republication of *Construction Trades* qualification**

**National Certificate in Carpentry (Level 4) [Ref: 0016-11]**

The Building and Construction Industry Training Organisation has republished the qualification listed above.

**Date republished** October 2021

This qualification has been reviewed. The last date for assessment is 31 March 2022.

**Summary**

This qualification was republished to extend the last date for assessment from 31 December 2020 to 31 March 2022, in order to allow learners whose progress has been impeded by the COVID-19 pandemic to complete programmes leading to the qualification.

**Transition**

The last date for entry into programmes leading to the qualification was 31 December 2018. No new enrolments can be made.

The last date for assessment is 31 March 2022, when the qualification will be discontinued.
