Summary

As a result of Reform of Vocational Education (RoVE), standard setting responsibility for these standards has been transferred from Ringa Hora Services Workforce Development Council to Toi Mai Workforce Development Council.

Main changes

- Standard setting responsibility for the above listed unit standards was transferred from Ringa Hora Services Workforce Development Council to Toi Mai Workforce Development Council.
- All unit standards were transferred to the current template.
- All unit standards have moved from CMR 0225 to CMR 0099.

Impact on Consent and Moderation Requirements (CMR)

All unit standards will move from CMR 0225 to CMR 0099 as part of this revision. This change should not disadvantage any existing consent holders and these standards will now be included in Toi Mai's national external moderation plans. CMR 0099 was updated with an appendix to include the specific criterion 1 and 3 related to retail, distribution and sales standards from the previous CMR.
