

## Field Planning and Construction

### Review and expiry of *Architectural Technology* unit standards

Subfield	Domain	ID
Construction	Architectural Technology	10164-10167, 11286, 27147-27149, 27156

Waihanga Ara Rau Construction and Infrastructure Workforce Development Council has completed the review of the unit standards listed above.

#### Summary

The review was undertaken because the unit standards are overdue for review and have low or no recent usage.

Consultation was conducted with providers who have consent to assess and the peak body Architectural Designers NZ (ADNZ).

There were no objections to the proposed expiry of these unit standards.

#### Main changes

- Nine standards in the *Architectural Technology* domain were designated expiring because of low to no usage.

#### Category D unit standards will expire at the end of December 2023

#### Detailed list of unit standards – classification, title, level, and credits

Planning and Construction > Construction > Architectural Technology

ID	Title	Level	Credit	Review Category
10164	Prepare architectural working drawings for small buildings	5	30	D
