Muka Tangata Workforce Development Council has completed the review of the unit standards listed above.

Date new versions published

July 2022

Planned review date

December 2027

Summary

Muka Tangata Workforce Development Council reviewed *Landscape* unit standards to better reflect the requirements of the associated updated qualification graduate outcomes.

Level 2 and 3 *Landscape* unit standards were reviewed according to their planned review date. Further amendments to unit standards were suggested by industry to ensure they are fit for purpose.

Key industry stakeholders involved with the landscape industry and consent to assess holders collectively made up the External Working Group (EWG) which met by Teams in May and June of 2021. Unit standards were discussed, and changes recommended to ensure current industry requirements were met.

Unit standards were sent out for wider stakeholder consultation in October 2021 by online survey. Feedback was collated, and changes incorporated where valid.

Main changes

- Two unit standards were designated expiring as they are no longer required.
- Titles were amended for unit standards 22202, 29659, 29661, 29662, 29665, 29668, 31073, 31078, 31079 and 31081 to better reflect content.
- Unit standards were transferred from CMR 0032 to CMR 0052.

Category D unit standards will expire at the end of December 2023

The last date for assessment of superseded versions of Category B unit standards is December 2025
