Qualification Developer	Waihanga Ara Rau Construction and Infrastructure Workforce Development Council
Reason for the republication	Extension to last date for assessment
Review date	June 2022
Outcome date	June 2022
Next review date	N/A

Summary of review and consultation process

This qualification was republished to extend the last date for assessment from 30 June 2022 to 31 December 2022. Extension to the last date for assessment to this qualification is required to provide learners opportunity to complete the capstone unit standard examination in person in New Zealand as a requirement of the programme leading to this qualification.

Main changes resulting from the review

The last date of assessment for the expiring version of the above qualification was extended from 30 June 2022 to 31 December 2022.

The qualification was republished, no new version is required.
