

Field Manufacturing

Reinstatement of *Fibreboard Packaging Production* unit standard 27815

Subfield	Domain	ID
Fibreboard Packaging	Fibreboard Packaging Production	27815

Hanga-Aro-Rau Manufacturing, Engineering and Logistics Workforce Development Council has reinstated the unit standard listed above to extend the expiry date.

Date new version published

March 2022

Summary

Unit standard 27815 was expired in December 2021. Unfortunately, it was not realised at the time that there were learners enrolled in this unit. Therefore, this unit has been reinstated with the expiry date extended so that no learner is disadvantaged.

Main changes

- Unit standard 27815 was reinstated with a last date of assessment to 31 December 2024.
