**Revision of *Engineering and Technology* unit standards**

<b>Subfield</b>	<b>Domain</b>	<b>ID</b>
Electricity Supply	Electricity Supply – Power System Maintenance	32390, 32392
Infrastructure Works	Generic Infrastructure Works	32767

Waihanga Ara Rau Construction and Infrastructure Workforce Development Council has completed the revision of the unit standards listed above.

**Date new versions published**

**May 2022**

**Planned review date**

**December 2027**

**Summary**

Waihanga Ara Rau Construction and Infrastructure Workforce Development Council has revised the unit standards listed above to address assessment issues identified during the development of assessment materials by providers with consent to assess.

**Main changes**

- Unit standard 32390 was revised to remove the word ‘Selected Persons’ as it is not commonly used by industry, and to correct wording in Outcome 3 for consistency
- Unit standard 32392 was revised to correct the numbering of performance criteria
- Unit standard 32767 was revised to amend the outcome statement and performance criteria 5.1 range statement in Outcome 5.

**The last date for assessment of superseded versions of Category B unit standards is December 2023.**
