

Field Agriculture, Forestry and Fisheries

Republication and transfer of standard setting responsibility for *Agricultural Contracting* unit standard

Subfield	Domain	ID
Rural Contracting	Agricultural Contracting	32775

Waihanga Ara Rau Construction and Infrastructure Workforce Development Council (WDC) has completed the transfer of the unit standard listed above.

Date of republication

May 2022

Planned review date (unchanged)

December 2026

Summary

Waihanga Ara Rau Construction and Infrastructure WDC identified that unit standard 32775 aligns most closely with ANZIC Code *A052900 Other agriculture and fishing support services* which is included in Schedule 2 of the Specified industries included in Muka Tangata People, Food and Fibre WDC's Order in Council.

Waihanga Ara Rau Construction and Infrastructure Workforce Development Council and Muka Tangata - People, Food and Fibre WDC agreed that standard setting responsibility for unit standard 32775 would be transferred from Waihanga Ara Rau Construction and Infrastructure WDC and Muka Tangata - People, Food and Fibre WDC.

Main changes

- Standard setting responsibility was transferred from Waihanga Ara Rau Construction and Infrastructure WDC to Muka Tangata - People, Food and Fibre WDC.
- Unit standard 32775 was updated to reflect the new standard setting contact details and republished as the same version.
