

Field Engineering and Technology

Extension of expiry date of *Computer Engineering* unit standards

Subfield	Domain	ID
Electronic Engineering	Computer Engineering	22712, 22713

The Waihanga Ara Rau Construction and Infrastructure Workforce Development Council has completed the rollover of the unit standards listed above.

Date new versions published

November 2022

Summary

A rollover of the unit standards has been completed to extend the Last Date of Assessment (LDA) in line with the LDA for the programme which these unit standards are a component of, leading to the New Zealand Certificate in Customer Premises Systems (Level 4) with strand in Wireless Systems [Ref: 2769].

Main changes

- Extension to the LDA for all versions from 31 December 2022 to 31 December 2023.
