

Field Engineering and Technology

Rollover and Revision of *Electronic Security* unit standards

Subfield	Domain	ID
Electronic Engineering	Electronic Security	5881, 5890 – 5893, 26841, 30652, 30653

Waihangā Ara Rau Construction and Infrastructure Workforce Development Council has completed the rollover and revision of the unit standards listed above.

Date new versions published

October 2022

Planned review date

December 2023

Summary

Eight unit standards in the *Electronic Security* domain were due for review in 2020. The rollover and revision of these standards will allow for a review of the whole domain in 2023 (including 11 other unit standards in the domain) once the associated qualification has been reviewed.

Main changes

- AS/NZS Standards information was updated.
- Privacy Act 1993 was replaced with Privacy Act 2020.
- The planned review date for these unit standards was changed to 31st December 2023.
