Summary of review and consultation process

Qualification Developer responsibilities for the New Zealand Certificate in Aviation (Aircraft Cleaning) (Level 2) was transferred to Ringa Hora Services Workforce Development Council (Ringa Hora) on its establishment in October 2021 from ServiceIQ.

There has not been any use or completions of the qualification between 2013 and 2022.

Ringa Hora subsequently contacted the current programme owner and promoted the proposal to expire the qualification through the Ringa Hora website.

An attestation was received from the current programme owner who confirmed the qualification was no longer required by the industry.

Subsequently, the decision has been made to discontinue the qualification.

Main changes resulting from the review

The qualification is no longer required by industry and will expire with no replacement.
