

**Field      Engineering and Technology**

**Extension of the Expiry date of *Aeronautical Engineering Production Control* unit standards**

<b>Subfield</b>	<b>Domain</b>	<b>ID</b>
Aeronautical Engineering	Aeronautical Engineering Production Control	10798-10802

Ringa Hora Services Workforce Development Council has rolled over the unit standards listed above to extend the expiry date.

**Date new versions published**

**August 2023**

**Summary**

The last date for assessment of the expiring version 5 of these unit standards is currently set as 31 December 2023. Extending the last date for assessment for these unit standards to 31 December 2026 will enable learners to complete existing programmes, bringing the unit standards and replaced New Zealand Certificate in Aeronautical Engineering (Production Control) (Level 6) [Ref: 2899] into alignment.

**Main changes**

- The last date for assessment of expiring version 5 of the unit standards listed above was extended from 31 December 2023 to 31 December 2026.
