

Field Planning and Construction

Revision of *Construction Trades* unit standards

Subfield	Domain	ID
Construction Trades	Plaster Board	31320, 31321
	Specialist Interiors	31251, 31258

The Waihangā Ara Rau Construction and Infrastructure Workforce Development Council has completed the revision of the standards listed above.

Date new versions published

December 2023

Planned review date (no change)

December 2025

Summary

The revision of the unit standards was initiated to support better alignment with the new version of the qualifications. The changes better reflect the agreed notional hours required to demonstrate the overarching expected level of performance. Both industry representation and the relevant provider confirmed the changes to these unit standards in November 2023.

Main changes

- Credit value increased from 6 to 7 in each unit standard to reflect the notional learning hours expected to demonstrate competence of the unit standards.

Detailed list of unit standards – classification, title, level, and credits

All changes are in **bold**.

Planning and Construction > Construction Trades > Plaster Board

ID	Title	Level	Credit
