

Field Business

Review of *Quality Management* unit standard

Subfield	Domain	ID
Business Operations and Development	Quality Management	28190

Toi Mai Workforce Development Council has completed the review of the unit standard listed above.

Summary

Toi Mai Workforce Development Council undertook analysis of the above currently listed unit standard and identified that it is no longer being used and has not been awarded in five years or longer. Following both targeted consultation with the previous provider and associated safety organisations, and an open consultation process via Toi Mai website during November 2023, the decision was made to expire this unit standard as it no longer aligns with industry need.

Main changes

- Standard set to expiring.

Category D unit standards will expire at the end of December 2024

Detailed list of unit standards – classification, title, level, and credits

Key to review category	
A	Dates changed, but no other changes are made - the new version of the standard carries the same ID and a new version number
B	Changes made, but the overall outcome remains the same - the new version of the standard carries the same ID and a new version number
C	Major changes that necessitate the registration of a replacement standard with a new ID
D	Standard will expire and not be replaced
