Summary

In February 2022 Ringa Hora invited input from providers and industry for a review of standards in this Domain. Further invitations were issued in August and feedback was volunteered. After receiving input from both industry and provider groups the standards were reviewed and some small changes were required to keep current with legislation and references. There were no major changes required to the content of the unit standards. After further consultation in November 2022 the review was agreed to and completed.

Main changes

- Guidance information legislation updated.
- Title of unit standard 28106 was changed to clarify intention.
- References and links updated in unit standards.

The last date for assessment of superseded versions of Category B unit standards is December 2024
