Ringa Hora Services Workforce Development Council has completed the review of the unit standards listed above.

**Date new versions published**

**January 2023**

**Planned review date**

**December 2027**

**Summary**

In March 2022 a wide range of industry members (11 companies) and all providers with consent to assess were contacted and invited to participate in the review. It was the intention of the review to maintain the usefulness of the unit standards in the interim until they are replaced by skill standards. Feedback was received on the on the suitability of the standards for the purposes of the industry. Several unit standards had not been used and were designated to expire. The changes were notified to the group and no further changes were required.

**Main changes**

- Unit standards 11992, 19172, and 29729 were designated to expire.
- Unit standard 404 recommended for entry moved to Guidance Information.
- Unit standard 11966 outcome and performance criteria amended.
- Unit standard 30288 Guidance Information corrected.
- Unit standard 28504 amended to include *process* in title.

**Category D unit standards will expire at the end of December 2024**

**The last date for assessment of superseded versions of Category B unit standards is December 2024**

**Impact on Consent and Moderation Requirements (CMR)**

Category B unit standards were transferred from CMR 0225 to CMR 0112.
