[Ref]	Version	Qualification title	Level	Credits
2715	2	New Zealand Certificate in Mechanical Engineering	3	120
2716	2	New Zealand Certificate in Mechanical Engineering (Advanced)	5	70
2718	2	New Zealand Certificate in Locksmithing (Trade)	4	210

Review information

Qualification Developer	Hanga-Aro-Rau Manufacturing, Engineering and Logistics Workforce Development Council
Reason for the review	Extensions to last dates for assessment of superseded versions
Outcome date	July 2023
Next review date	December 2025

Summary of review and consultation process

Providers of programmes leading to these qualifications initiated this republication by requesting the extension of the last date of assessment to the superseded version 1 of the above qualifications.

The extension allows Providers to enrol ākonga in programmes leading to the qualification and allows time for programme development.

The extension ensures ākonga are not disadvantaged.

Main changes resulting from the review

The last date of assessment for version 1 of these qualifications has been extended from 31 December 2024 to 31 December 2025.

The qualification developer details were updated from Competenz to Hanga-Aro-Rau Manufacturing, Engineering and Logistics Workforce Development Council.

Version 2 of these qualifications have been republished to reflect these dates.

Transition information

Reference	Version	Qualification title	Last date of entry*	Last date of assessment
2715	1	New Zealand Certificate in Mechanical Engineering (Level 3)	N/A	31/12/2025
2716	1	New Zealand Certificate in Mechanical Engineering (Advanced) (Level 5)	N/A	31/12/2025
