

- Three standards (28845, 28846, 28848) have been revised and rolled over as they had reached their planned review date but are used towards other qualifications in Barbering and Makeup where qualification reviews are due to be completed soon. Revisions were made to remove out of date references, remove references to hairdressing, and make cosmetic changes in keeping with the reviewed standards as required.
- Reviewed and new unit standards have been transferred from CMR 0020 to CMR 0099.

Category C and D unit standards will expire at the end of December 2026

The last date for assessment of superseded versions of Category B unit standards is December 2025
