Republication information

Qualification Developer	Waihanga Ara Rau Construction and Infrastructure Workforce Development Council
Reason for the review	Extension of last dates for entry and assessment
Review date	May 2023
Outcome date	May 2023
Next review date	31 December 2025 (no change)

Summary of republication

The last dates for entry and assessment to programmes leading to the replaced qualification were changed to 31 December 2024 and 31 December 2027 respectively.

This update was made to align with the dates given in the transition information of the replaced qualification, the New Zealand Certificate in Electrical Engineering (Theory and Practice) (Level 4) [Ref: 2388].

Main changes resulting from the republication

The qualification developer was updated to Waihanga Ara Rau Construction and Infrastructure Workforce Development Council.

The last date of entry for programmes leading to the New Zealand Certificate in Electrical Engineering Theory and Practice (Trade) (Level 4) [Ref: 2388] was changed to 31 December 2024 and the last date of assessment was changed to 31 December 2027.

Any additional information

It is the intention that no trainee should be disadvantaged by these transition arrangements. Any person who considers they have been disadvantaged may appeal to:
