Summary

Ringa Hora Services Workforce Development Council, in consultation with stakeholders, has revised and rolled over fifteen Level 3 and 4 Public Sector Core Skills unit standards.

The sector has confirmed that these standards are still fit for purpose, and with Skill Standards and Micro-Credentials being developed in the coming years, agreed there is little benefit in making significant changes to these unit standards at this time.

Main changes

- The planned review date was extended to 31 December 2025.
- Guidance information was updated in all standards to correct the Public Service Commission link and the Privacy Act 2020 legislation.
- Standard setting body information was updated from The Skills Organisation to Ringa Hora Services Workforce Development Council.
