**Development of *Plastics Fabrication* unit standard 33258**

Hanga-Aro-Rau Manufacturing, Engineering and Logistics Workforce Development Council has completed the development of the unit standard listed below.

**Date new version published**

**May 2023**

**Planned review date**

**December 2027**

**Summary**

The unit standard was developed in conjunction with industry stakeholders and training providers for the plastics fabrication industry, to recognise the knowledge and skill requirements for advanced polymer welders working onsite.

Amendments and updates were discussed at meetings through 2022 - 2023 and via email consultation. All relevant feedback was actioned where appropriate.
