Summary

The retrospective extension of the last dates for assessment (LDA) of version 1 of the New Zealand Certificates in Personal Financial Capability (Level 2 and Level 3) has been undertaken following a request from and discussions with the principal provider Te Wananga o Aotearoa.

This extension of the last dates for assessment is to allow the provider time to update their existing programme, to lead to version 2 of the qualification.

The scheduled review of the qualifications was also deferred one year, from November 2024 to November 2025.

The last dates for assessment of version 1 of the New Zealand Certificate in Personal Financial Capability (Level 2 and Level 3) were extended from 31 December 2022 to 30 June 2024.
