

Field Service Sector

Revision of Cookery unit standard 13724

Subfield	Domain	ID
Hospitality	Cookery	13724

Ringa Hora Services Workforce Development Council has completed the revision of the unit standard listed above.

Date new versions published

November 2023

Planned review date

December 2026

Summary

Standard was revised in August 2023 to bring into line with a review of standards which had omitted this standard. However, this change allows only four months for providers to produce, moderate and publish new resource and assessment. It is, therefore, reasonable to extend the last date for assessment of version 5 to 31 December 2024.

Main changes

- The last date for assessment for version 5 of the standard was extended from 31 December 2023 to 31 December 2024.
