<b>Subfield</b>	<b>Domain</b>	<b>ID</b>
Aviation	Airport Operations	17356

Ringa Hora Services Workforce Development Council has rolled over the unit standard listed above to extend the expiry date.

**Date new version published**

**26 October 2023**

**Summary**

The last date for assessment of the expiring version of the unit standard is currently set as 31 December 2023. Extending the last date for assessment for this unit standard to 31 December 2024 will enable learners to complete existing programmes. Additionally, this will bring the unit standard and replaced version of the New Zealand Certificate in Airport Operations (Level 4) with strands in Airport Customer Service, Airport Maintenance, Airport Safety, and Aviation Security [Ref: 2537] into alignment.

**Main changes**

- The last date for assessment was extended from 31 December 2023 to 31 December 2024.
- Standard setting body details were updated from ServiceIQ to Ringa Hora Services Workforce Development Council.
