Date new versions published **September 2023**

Planned review date **December 2026**

Summary

The unit standards in the table above are used to assess learner achievement in programmes leading to version 2 of the New Zealand Certificate in Youth Work (Level 4) (Ref: 2449). The last date for assessment for programmes leading to version 2 of this qualification is 31 December 2025.

Earlier versions of the standards are being used in programmes. Extending the last date for assessment of these earlier versions allows their end of life to coincide with the last date for assessment of version 2 of the qualification and allows currently enrolled ākonga to complete their programme without being disadvantaged.
