**Development of *Plastics Fabrication* unit standards**

Hanga-Aro-Rau Manufacturing, Engineering and Logistics Workforce Development Council has completed the development of the unit standards listed below.

**Date new version published**

**September 2023**

**Planned review date**

**December 2027**

**Summary**

The unit standards were developed in conjunction with industry stakeholders and training providers for the plastics fabrication industry, to recognise the knowledge and skill requirements for plastics fabricators in the plastics sector.

Amendments and updates were discussed at meetings through February 2023 – July 2023 and via email consultation. All relevant feedback was actioned where appropriate.
