<b>Subfield</b>	<b>Domain</b>	<b>ID</b>
Construction Trades	Floor and Wall Tiling	31345

The Waihangā Ara Rau Construction and Infrastructure Workforce Development Council has completed the revision of the unit standard listed above.

**Date new versions published****April 2024****Planned review date****December 2027****Summary**

The revision to this unit standard was to edit the error in the criterion and range statements identified by industry experts during provider programme development. Industry experts and the provider currently offering the previous version of this standard were consulted with and agreed on the proposed revision.

**Main changes**

- A range was added to the grouts criterion.
- A new criterion related to flexible sealants was added.
- 'Grouts' was included to the sealers criterion to amend technical inaccuracies.

**The last date for assessment of superseded versions of Category B unit standards is  
December 2025**
