#### Review information

|                              |  |
|------------------------------|--|
| Qualification Developer      | Waihanga Ara Rau Construction and Infrastructure Workforce Development Council |
| Reason for the republication | Extension of planned review date   |
| Review date                  | June 2024  |
| Outcome date                 | August 2024  |
| Next review date             | June 2025  |

#### Summary of review and consultation process

The New Zealand Certificate in Electronic Security (Level 4) was due for review in June 2023.

A request was made for the extension of the planned review date from June 2023 to June 2025.

Stakeholders confirm the qualification remains fit for purpose and support the extension.

#### Main changes resulting from the review process

The standard setting body was changed from the Skills Organisation to Waihanga Ara Rau Construction and Infrastructure Workforce Development Council.

The qualification review date was extended from June 2023 to June 2025.

#### Any additional information, including Qualification Developer contact details.

It is anticipated that no existing candidates will be disadvantaged by this republication. However, anyone who considers they have been disadvantaged may appeal to the qualification developer:
