Summary

Ringa Hora Services Workforce Development Council initiated the review for these unit standards before their planned review date of 31 December 2025. This was done to align with the review of the New Zealand Certificate in Organisational Risk and Compliance (Level 4) and New Zealand Certificate in Organisational Risk and Compliance (Level 6) qualifications. Consultation occurred between January 2024 and April 2024 with the sector confirming support to expire these unit standards without replacement. Ringa Hora will undertake a unit standard review and skill standard development for the standards under the Business field we are Standard Setting Body for, of which we may list skill standards under the Organisational Risk and Compliance Management domain, that are relevant and fit for purpose for the sector.
