

**Field**      **Agriculture, Forestry and Fisheries**

**Revision of *Pest Control* unit standards**

<b>Subfield</b>	<b>Domain</b>	<b>ID</b>
Pest Management	Pest Control	29337, 29338

Muka Tangata - People, Food and Fibre Workforce Development Council has completed the revision of the unit standards listed above.

**Date new versions published**

**August 2024**

**Planned review date (no change)**

**December 2025**

**Summary**

Muka Tangata was requested by Primary ITO on behalf of a large iwi group to consider the revision of the unit standards to include a definition of 'vehicle' that includes horses. Primary ITO cited discussions with iwi where they prefer to use horses in challenging terrain, which is better for the environment and avoids the need for roads.

**Main changes**

- Definitions in these two unit standards were expanded to include definition of *vehicles*.
