Muka Tangata People, Food and Fibre Workforce Development Council has completed the revision and rollover of the unit standards listed above.

Date new versions published

February 2024

Planned review date

December 2028

Summary

The rationale for the revision and rollover is to align the review dates with the last date for assessment of the existing Seafood qualifications, this ensures they can continue to be used while Muka Tangata develops skill standards for the replacement qualifications in consultation with stakeholders.

Main changes

- Unit standards were rolled over to update the planned review date to 31 December 2028.
- Standard setting body details were updated to Muka Tangata.
- Unit standards 12316, 17077-17080, 17944-17951, 17958, 17994, 19877, 21063-21069, 23059, 23854 have all been revised and rolled over to include updates to legislation where appropriate.
