Summary of development/review and consultation process
<p>Ringa Hora Workforce Development Council has completed an early review of the qualifications above.</p> <p>The Intelligence Review was initiated in August 2023 following an early review request for the New Zealand Diploma in Intelligence Analysis (Level 6) from industry and provider representatives.</p> <p>Consultation and review occurred between October 2023 to May 2024 in a series of online, face-to-face, email conversations. A working group was put together and consisted of industry, provider, and main users of the qualifications. There was also a consultation group who received all communications of the review and provided feedback through email or face to face meetings.</p>

Main changes resulting from the development/review process
<ul style="list-style-type: none"> • Programme endorsement considerations added. • Minor wording changes for clarity. • References to resources and relevant legislation updated. <p>New Zealand Certificate in Intelligence (Level 5) with strands in Collection, and Collation [Ref: 2394]</p> <ul style="list-style-type: none"> • Removal of the strands. • Broadening the focus on information management for intelligence purposes. • Reduction of credits from 75 credits to 60 credits. • The body of changes above necessitated that a new qualification be created, and the existing qualification replaced.
