**Rollover of *Collision Repair* unit standard 31993**

<b>Subfield</b>	<b>Domain</b>	<b>ID</b>
Motor Industry	Collision Repair	31993

Hanga-Aro-Rau Manufacturing, Engineering and Logistics Workforce Development Council has rolled over the expiring unit standard listed above.

**Date new versions published**

**July 2024**

**Summary**

The last date of assessment of superseded versions of this unit standard is currently set as 31 December 2024. Extending the last date of assessment for this unit standard to 31 December 2027 will align with the expiry date of New Zealand Certificate in Collision Repair (Structural Repair) (Level 5) [Ref: 3012]. This will also bring the standard to align with other standards in the suite.

**Main changes**

- The last date of assessment for all versions of the unit standard listed above was extended from 31 December 2024 to 31 December 2027.
