Reviewed qualification

Ref	Version	Qualification Title (Level)	Credits
4300	1	New Zealand Certificate Timber and Composite Flooring (Level 4) with strands in Bonded Installation, and Fine Floor Sand and Finishes	140

Review information

Qualification Developer	Waihanga Ara Rau Construction and Infrastructure Workforce Development Council
Reason for the republication	Standard Setting Body details and Graduate Profile Outcome correction
Review date	February 2024
Outcome date	March 2024
Next review date	December 2024

Summary of republication process

The republication of this qualification is to attend to a grammatical error in the Bonded Installation strand, Graduate Profile Outcome 7 to better describe the original intent of the outcome as agreed by industry.

Main changes resulting from the republication

- Standard setting body details updated to Waihanga Ara Rau Construction and Infrastructure Workforce Development Council.
- Graduate Profile Outcome 7 updated to:
Plan and install *timber* and composite timber flooring *using bonded method* to meet manufacturer specifications.
