Review of *Lifting Engineering* New Zealand Qualification

Reviewed qualification

Ref	Version	Qualification Title	Credits
3733	1	New Zealand Certificate in Lifting Engineering (Level 5) with strands in Crane Erection, and Load Lifting Rigging Certification	50-75

Review information

Qualification Developer	Waihanga Ara Rau Construction and Infrastructure Workforce Development Council
Reason for the review	Scheduled 5-year review
Review date	February 2024
Outcome date	May 2024
Next review date	December 2024

Summary of review and consultation process
<p>The qualification listed above was reviewed July 2023 to February 2024.</p> <p>A technical advisory group (TAG) was formed from industry and providers with consent to assess the unit standards specific to Lifting Engineering. Information was posted on the Waihanga Ara Rau website and stakeholders informed by email. The collated feedback indicated that the qualification listed above is not fit for purpose as it does not offer clear pathways for school leavers to end users/technicians to specialists/supervisors.</p> <p>There are no approved programmes or associated unit standards supporting this qualification and no graduates or trainees. This qualification is not required.</p>

Main changes resulting from the review process
This qualification will be expired without replacement.
