

Field Engineering and Technology

Revision of *Kitchen and Bathroom Design* unit standard 31563

Subfield	Domain	ID
Design	Kitchen and Bathroom Design	31563

Waihangā Ara Rau Construction and Infrastructure Workforce Development Council has completed the revision of the unit standard listed above.

Date new versions published

May 2024

Planned review date

December 2028

Summary

Waihangā Ara Rau, in consultation with the relevant provider, has revised the unit standard listed above to slightly increase the credit allocation. This is to better reflect time to develop and implement the skills and knowledge to the standard expected as described in the Guidance Information section. This change is agreed to by industry as the indicative notional hours.

Main changes

- The credit allocation for unit standard 31563 has been increased from 6 to 7 credits.

Detailed list of unit standards – classification, title, level, and credits

All changes are in **bold**.
