Republished qualification

Ref	Version	Qualification Title (Level)	Credits
2947	2	New Zealand Certificate in Automotive Reglazing (Level 3)	120

Review information

Qualification Developer	Hanga-Aro-Rau Manufacturing, Engineering and Logistics Workforce Development Council
Reason for the review	To extend the last date of assessment for superseded version
Review date	December 2024
Outcome date	December 2024
Next review date	August 2026

Summary of review and consultation process
<p>The last date of assessment for superseded version 1 of this qualification has been extended from 31 December 2024 to 31 December 2025.</p> <p>This is to ensure continued provision of training whilst programme and standards development for programmes leading to version 2 of the qualification progresses.</p> <p>Hanga-Aro-Rau has placed development of the required standards on its workplan. An industry technical advisory group, including providers, will be formed in December with development work beginning in late January.</p>

Main changes resulting from the review process
<p>The last date of assessment for version 1 of this qualification has been extended from 31 December 2024 to 31 December 2025.</p>
