Subfield	Domain	ID
Infrastructure Civil Engineering	Infrastructure Asset Management	18926 -18928, 18930

The Waihanga Ara Rau Construction and Infrastructure Workforce Development Council has completed the rollover of the unit standards listed above.

Date new versions published

November 2024

Planned review date

December 2025

Summary

Waihanga Ara Rau Construction and Infrastructure Workforce Development Council has extended the review date to 31 December 2025 to align with the review of business and asset management qualification suites taking place during 2025. Industry has confirmed that the unit standards are in line with current industry practice and are fit for purpose. There were no changes to classification, title, outcomes, performance criteria, level or credits. The rollover was circulated to key stakeholders in July 2024 and meetings were held with key stakeholders who have confirmed their support for the proposed rollover.

Main changes

The planned review date was extended from 31 December 2024 to 31 December 2025.
