

Field Manufacturing

Review of *Sailmaking* unit standards

Subfield	Domain	ID
Industrial Textile Fabrication	Sailmaking	11804, 11802, 11813, 31465, 31466

Hanga-Aro-Rau Manufacturing, Engineering and Logistics Workforce Development Council has completed the review of the unit standards listed above.

Date new versions published

September 2024

Planned review date

December 2029

Summary

The standards were reviewed in June 2024 as part of a wider review of Industrial Textile Fabrication qualifications and standards. Hanga-Aro-Rau Workforce Development Council worked with MAST Academy; a key provider who gathered evidence from industry to support the changes made. Changes were required to bring units up to date with current industry practice and provide greater flexibility for assessment.

Main changes

- One new unit standard 33424 was developed.
- Unit Standard 11804 is set to expire.
- Guidance information and range statements in four unit standards were updated.

Category D standard will expire at the end of December 2026

The last date for assessment of superseded versions of Category B standards is December 2026

Detailed list of standards – classification, title, level, and credits

All changes are in **bold**.

Key to review category	
A	Dates changed, but no other changes are made - the new version of the standard carries the same ID and a new version number
B	Changes made, but the overall outcome remains the same - the new version of the standard carries the same ID and a new version number
C	Major changes that necessitate the registration of a replacement standard with a new ID
D	Standard will expire and not be replaced
