

## Field      Planning and Construction

### Registration of *Glazing* skill standards

The Waihanga Ara Rau Construction and Infrastructure Workforce Development Council has registered new skill standards in the *Glazing* domain.

**Date new versions published**

**August 2025**

**Planned review date**

**December 2030**

### Summary

Waihanga Ara Rau has developed three new skill standards for advanced glazing skills for glaziers who are responsible for leading the installation of complex glazing systems. These standards were developed to contribute to New Zealand glazing qualifications at level 5 or above.

The skill standards were developed with a technical advisory group that included industry, association representatives, and providers. Development started in November 2025, with consultation with wider industry was consulted in February 2025, and feedback was incorporated where appropriate.

### Main Changes

- Three new skill standards were developed to contribute to New Zealand glazing qualifications at level 5 or above.

### Detailed list of standards – classification, title, level, and credits

All changes are in **bold**.

Planning and Construction > Construction Trades > Glazing

ID	Title	Level	Credit	Review Category
40760	<b>Prepare for the installation of a complex glazing system</b>	5	30	NEW
40761	<b>Manage logistics for moving and handling of glass for a complex glazing installation</b>	5	20	NEW
40762	<b>Lead the installation of a complex glazing system</b>	5	30	NEW
