Ringa Hora Services Workforce Development Council has completed the revision of the skill standard listed above.

**Date new versions published**

**August 2025**

**Planned review date**

**December 2030**

**Summary**

Version 1 of 40659 was published in May 2025 as part of the standards review under the domain Financial Services - Professional Practice. Programme development identified that a revision was required to this standard to correct the credit value that was assigned at registration.

**Main changes**

- 40659 was revised from 15 credits to 20 to include 5 credits that were missing from Version 1 of the skill standard.
- An assessment criterion was edited and supporting indicative content was added to align with the 5 extra credits.

**The last date for assessment for version 1 of this standard is 31 August 2025.**

**Detailed list of standards – classification, title, level, and credits**
