#### Republished qualification

Ref	Version	Qualification Title (Level)	Credits
2881	2	New Zealand Certificate in Aviation (Flight Attendant) (Level 4) with optional strand in Operator Specific Operational Flight Attending	60-95

#### Republication information

Qualification Developer	Ringa Hora Services Workforce Development Council
Reason for the review	GPO 3 conditions updated
Republication date	January 2025
Outcome date	January 2025
Next review date	January 2027

#### Summary of republication and consultation process

Following publication of skill standards developed to align with New Zealand Certificate in Aviation (Flight Attendant) (Level 4) with optional strand in Operator Specific Operational Flight Attending, it was identified that GPO 3 of this qualification contains a mandatory standard. The conditions were amended to allow the mandatory standard to be either the unit or the replacement skill standard.

#### Main changes resulting from the republication

GPO 3 conditions were amended to allow for either unit standard 28390 or skill standard 40435 to be used as the mandatory standard.  
The qualification has been republished with no version change and the update will take effect immediately.

#### Any additional information

This qualification was republished in January 2025.
