Ringa Hora Services Workforce Development Council has completed a rollover of the expiring unit standards listed above.

**Date new versions published**

**July 2025**

#### Summary

Ringa Hora Services Workforce Development Council, in consultation with stakeholders, has rolled over the last date for assessment of three expiring Security unit standards.

Relevant industry stakeholders have confirmed that these unit standards are still fit for purpose, and with skill standards being developed to align with Security suite of qualifications due for review by April 2028, agreed there is little benefit in making significant changes to these unit standards at this time.

#### Main changes

- The last date for assessment for expiring standards was extended to 31 December 2027 due to being used in an approved programme by providers.
